Welcome to the world of hopscotch kids

Hopscotch Kids is an exciting new range of children's bedroom furniture that is both stylish and affordable. All of our products are made to order by skilled furniture makers and are designed with safety in mind - rounded edges and metal drawer runners. The beds are made of Solid Pine and all other furniture is made from Customwood.

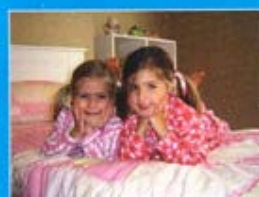

Create your own look by choosing your Resene paint colour in either a classic or distressed finish. A smart selection of handles will ensure your furniture won't date as your child gets older.

Hopscotch Kids also has a gorgeous range of bedding, which caters for boys as well as girls including denim duvet covers. There is also a fantastic selection of art for children's rooms for sale.

Delivery is free within the Christchurch metropolitan area - elsewhere a freight charge will apply (we deliver all over NZ).

Check out our website www.hopscotchkids.co.nz as additional pieces will be added to the collection throughout year.
